

## EXPANDED MEAL PICK UP: Elmira Heights Village Hall

Effective Monday, March 23, pre-packaged breakfasts and lunches will now be available for curbside pickup at the entrance of Cohen Elementary School and at the Elmira Heights Village Hall, 215 Elmwood Avenue.

Both locations will operate Monday-Friday from 10:30-11:30 a.m.

The program is available at no charge for children 18 years old and younger from the district who are in need during the school shutdown. Children enrolled in the district, and siblings who reside in the same household, may participate.

“We continue to do everything we can to support our students and families through this unprecedented time and we appreciate the assistance from the Village of Elmira Heights in making it easier for some of our students to take advantage of our food distribution program.” Superintendent Michael Gill said.

District cafeteria staff are preparing the meals, with faculty, staff and administrators manning the distribution stations.
