

For those students who participate in the Food Bank of the Southern Tier Weekend Backpack Program:

The bags of food that normally go home in student's backpacks on weekends can be picked up from either the Cohen Elementary School or Elmira Heights Village Hall food distribution sites on either Thursday (3/26) or Friday (3/27).

Families requiring assistance for delivery of the Food Bank Weekend Bags are asked to email Mr. Lutz at alutz@gstbooces.org. If you don't have access to email, please call 734-7132 and leave your name, address and phone number for delivery.
